Parking Rates at the Hotel (Prevailing Rates Apply, currently at:)

Self-Parking: \$10 Daily / Disabled parking is Free

Valet: \$18 Daily Overnight \$25

Hotel will honor 50% off standard pricing for the group

So this means \$5/day. And this is only if parking overnight.

Note from the convention committee: We recommend if you are flying in to consider not renting a car, use Super Shuttle to get to/from airport and local options such as Uber, Lyft, cabs and public transportation.

There are many things to do in walking distance and many tours to go on. You may not need a car. Additionally if you are a RVer or local there are plenty of places to park that should not cost you any money during the daytime.
