METERED PARKING

On-street metered parking spaces in the Downtown Core, Fourth Avenue, Main Gate Square, and Mercado District areas range from ½-hour to 6-hour limits. UPLOAD IT!

GOTUCSON MOBILE APPS

You can download the **GoTucson Parking** mobile app for free from your app store. Use it to pay for metered parking, and the app will send you alerts when your time is about to expire, allowing you to extend your time remotely by smartphone, rather than racing back to feed the meter.

Download the free **GoTucson Transit** mobile app to purchase fares for Sun Link Streetcar and Sun Tran buses.

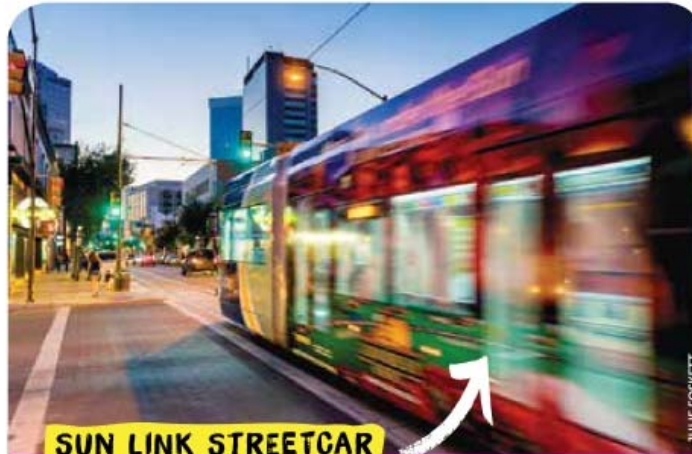

→ The GoTucson apps are also available online at GoTucsonapp.com, or by phone at 520-441-3752.

DISABILITY PARKING

There are numerous designated parking spaces throughout the downtown area, on the street and in lots and garages. Parking meters at on-street disabled spaces require payment. A valid disabled placard must be displayed on the vehicle.

Tucson's bus system, Sun Tran, operates 40 fixed routes throughout the area, and its routes converge at Ronstadt Transit Center downtown. On-board fares can be paid through the GoTucson Transit mobile app, or visitors can pick up a SunGo card and load it with value. The all-day SunGo ticket can be purchased for \$4, is transferable to the Sun Link Streetcar, and can be purchased at Ronstadt Transit Center, at area Fry's Food Stores, or at SunTran.com/SunGo.

SUN LINK STREETCAR

THE SUN LINK STREETCAR connects visitors with four business districts, the University of Arizona, and several Tucson neighborhoods. Running four miles from the Mercado San Agustín on the west side of I-10, across the Downtown Core, along Fourth Avenue, and through Main Gate Square to the University of Arizona, the streetcar is an easy and fun way to see the city center. Buy an all-day pass for \$4.50 at the ticket vending machine at any of the 23 streetcar stops, or use the free GoTucson Transit mobile app to purchase a one-way fare, the all-day pass, or a 30-day pass. Payments are not accepted on the streetcars. SunlinkStreetcar.com
